

A day at the museum

Museums are full of fascinating things. Take the time to look around and you'll see what we mean. Use this Explorer Guide to make the most of your museum trip.

1. Write down the name of the museum you are visiting.

2. What sort of museum is it?

3. Make a drawing of the display that you think is the most interesting or the most beautiful.

4. Look earnestly at any display and say,

“By Jove, what a significant discovery!” in a loud voice.

Score the loudness of your voice from one to ten points here.

5. In ten words, write down what you learned during your museum experience.

So did you learn a lot?

If you want to show off your discoveries then see if mum or dad will help you pop your work up on the
