

A trip to the zoo

Make the most of your trip to the zoo by recording everything you see and hear! We've got a few zoo activities for you below, but of course you can make up your own things to do too!

1. What's the first animal you can see?

2. Can you make the **sound it makes**? Try it!

3. Count how many animals you can see at the zoo. Make a little mark every time you see a new one and add all the marks up at the end.

4. Draw your favourite animal.

5. Here's where you draw how big your smile is to show how much you've enjoyed your trip to the zoo.

Well done!

Now you can get mum or dad to post your brilliant work on the
Pink Lady® creative gallery at pinkladyapples.co.uk
